

Name: _____

Two Digit Addition.

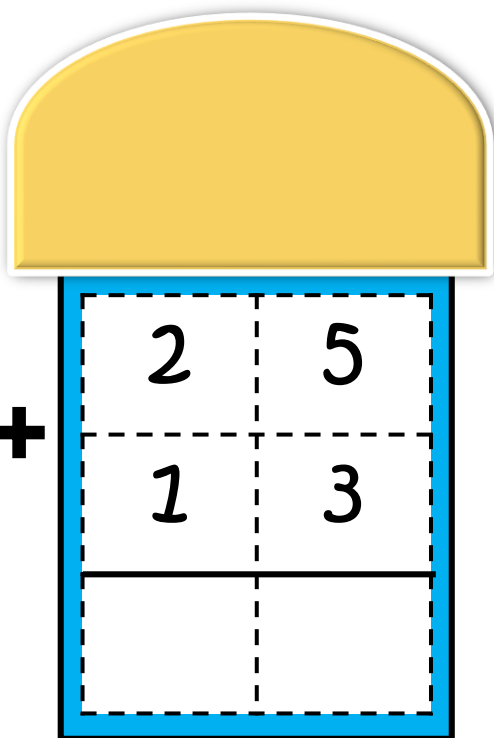

A green house-shaped addition problem. The roof is a green triangle. The body is a yellow rectangle with a dashed border, divided into four quadrants by a vertical dashed line and a horizontal dashed line. The top-left quadrant contains the number 1, the top-right contains 4, the bottom-left contains 1, and the bottom-right contains 3. Below the horizontal dashed line are two empty boxes for the answer. A plus sign (+) is to the left of the house.
