Nouns

A noun is a word that is a person, Place or a thing in a sentence.

<u>Underline all the nouns in the story below.</u>

Mark was tired of sitting home alone. It was a bright sunny day. He was missing his friends and the fun time they had last week at the park. His best friend Chris was at his grandma's place and he said he will come back next week. He looked out of the window. He saw dad's car. He ran down the stairs to open the door. His dad was holding a puppy. Mark was very happy to finally get his puppy.
