## Compound Words

A compound word is made up of two smaller words by joining them together. For example: bed + room makes the word "Bedroom"

Read the passage and highlight as many compound words as you can find.

### A cold winter day.

It is snowing outside. I always love when it is snowfall. I love to make snowman. My friends and I have so much fun while playing outside making snowballs and having snow fights. My mom got me new jacket this winter. I am wearing my favorite cozy turtleneck, hat and mittens. We have so much fun making snow angels. My dog pulls us on a sled. After we play, we drink hot chocolate to warm up. We add marshmallows to make it taste better. There are so many fun things to do in the snow.

Choose three compound words from above. Write each word in spaces given below and write the whole word.

Word 1

Word 2
