Rocket to the Sun
it was a bright sunny day and justin and his sister jen were
playing in the backyard. looking up at the bright blue sky
five-year-old justin said to his older sister, When I grow up
Im going to be an astronaut.
"Thats great," said jen. "Why do you want to be an astronaut"
"i want to be an astronaut so I can be the first person to fly
a rocket and land on the sun."
"you can't land on the sun. Its way too hot," said jen. "that will
never happen."
"i know it's too hot," answered justin. "Thats why I'm going to
land on it at night!"
Tarra on to at ingrit.
