

# Verbs - Future Tense

A verb is the most important word in a sentence; without it, the sentence would not make sense. Verbs show an action, occurrence, or state of being (*exist*).

All sentences require both a verb and a subject (a noun or pronoun).

For example: A monkey climbed the tree.

The future tense is a **verb tense** used for a future activity or a future state of being.

For example: I will jump in the pool.
