

Date / / Name 

Adverb

An adverb is a word that modifies (describes) a verb (for e.g. he sings loudly), an adjective (for e.g. very tall), another adverb (for e.g. ended too quickly), or even a whole sentence (for e.g. Fortunately, I had brought an umbrella).

Adverbs often end in -ly, but some (such as fast) look exactly the same as their adjective counterparts.

Find and underline adverbs in the sentences below.

1. Alex is always kind towards others.
2. Usually during the summer break, my friends and I enjoy volunteering in a pet shelter.
3. He was excited to see a huge bouncy house outside for his birthday party.
4. Mia could hardly wait to get her own puppy.
5. It was raining for quite some time.

6. Nick could hardly contain his excitement to climb the tree.

7. He regularly writes in his journal before going to bed.

8. She tried to find her lost book everywhere.

9. The weather forecast says, today's climate is extremely hot.

10. Jack said, "The math test was surprisingly easy."
